

GUAM'S YOUTH ISLAND  
LEADERSHIP DAY

**HON. ROBERT A. UNDERWOOD**

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 17, 2000*

Mr. UNDERWOOD. Mr. Speaker, each year in April, Guam's Department of Education celebrates Youth Month with several activities. An oratorical contest, a student exchange program, a school showcase, and a youth showcase, and a youth conference culminates with the much-anticipated Island Leadership Day, during which students assume the roles of Guam's public, private, and military leaders for a day. In coordination with these sectors of our island community, the activity gives students from Guam's middle schools and high schools the opportunity to experience leadership roles. Island senators, corporate accountants, military colonels and, even, hospital nurses were included in the wide range of career men and women that selected students "shadowed" in order to experience an average day's work in their assigned positions.

On the morning of April 26, 2000, three high school students looking sharp, studious and ready to take on the challenge, walked into my office. William B. Jones, a senior from George Washington High School was Guam's student Washington Delegate for the day while Jonathan Pador, was a G.W. senior, took over as student District Director for my office and Madelene Marinas, a senior from the Academy of Our Lady of Guam, functioned as student Communications Director. Their eagerness was tempered by a bit of nervousness which was not surprising.

These students made me reminisce of my own high school days and the very first Island Leadership Day. Although admitting to the fact betrays my age, I still remain proud I once earned the privilege of being a senator in the Guam Legislature for a day. I remember arriving at the Guam legislative session hall that day back in 1964. I made a bee line for the desk of my hero, Senator Antonio B. Won Pat. I have always admired this man. He later worked to further advance Guam's agenda when he was elected to the office of the Guam Washington Representative in 1965. He was the first and only man to serve in this capacity until the office was replaced by the congressionally created Guam delegate's office in 1972. Mr. Won Pat served as a member of the House of Representatives from 1972 until 1984.

I did not realize it at the time but I look back to that event as the day I took my dreams a step further. I began setting my goals on that first Island Leadership Day in 1964. As Island Leadership Day is intended to introduce and inspire students to leadership positions in the community, I am proud to say I was among the ranks of many who, over the years, found inspiration and realized their goals through this program.

With the enthusiastic support of Guam's public, private and military sectors, more than 300 students from nearly every middle and high school took part in Island Leadership Day 2000. All in all, thousands of Guam's students participated in the various activities of Youth Month, each planned and coordinated by student leaders themselves. In particular, the Youth Month Central Planning Committee,

was made up of students from Southern High School, specifically Cherika Chargualaf, president; Hermaine Alerta, vice president; Erwin Agar, secretary; Joseph Cruz, treasurer; and Angela Tamayo, activities coordinator. In having planned and executed a very impressive and successful schedule of varied events, our youth genuinely embodied this year's Youth Month theme, "I Manhoben I Isla-ta, I Fuetsan I Tiempo-ta—The Youth of Our Island, the Strength of Our Time."

Today's youth embody our future. As we provide training and guidance, their performance is clear indication of the leadership they have to offer for the future. As I look at local students take roles in different career areas, I see a wonderful vision of Guam's future.

TRIBUTE TO DR. ROSCOE C.  
BROWN, JR.

**HON. JOSE E. SERRANO**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 17, 2000*

Mr. SERRANO. Mr. Speaker, it is with joy that I rise today to pay tribute to and to congratulate Dr. Roscoe C. Brown, Jr., for his dedication to education and human rights, and for his many accomplishments, including his service to America during World War II. He will be honored today at Bronx Community College when the Gould Student Center is renamed the Roscoe C. Brown, Jr. Student Center.

For 16 years, from 1977 to 1993, Dr. Brown was president of Bronx Community College in New York City. During that time, he brought the college to national prominence as a model urban community college devoted to providing opportunities for educational advancement for all.

Mr. Speaker, prior to becoming president of Bronx Community College, Dr. Brown was director of the Afro-American Institute at New York University. In that capacity, he educated students and the general public about the accomplishments of the African American community. It was during that time, too, that Dr. Brown began his career in radio and television, providing a larger public with insights into African American life.

Before his academic career, Dr. Brown distinguished himself as a member of the heroic Tuskegee Airmen, who came through World War II with a commendable record of successes in combat.

Dr. Brown has also been personally involved in the struggles for human rights for all people and has fought against all forms of racism and bigotry.

Mr. Speaker, it is an honor and a privilege for me to ask my colleagues to join me in recognizing Dr. Roscoe C. Brown, Jr. for his major contributions to our country.

INTRODUCTION OF THE NUCLEAR  
POWER PLANT SAFETY EN-  
HANCEMENT ACT

**HON. SUE W. KELLY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 17, 2000*

Mrs. KELLY. Mr. Speaker, I rise today for the purpose of introducing a proposal to en-

hance the safety of operations at our nation's nuclear power plants.

As a representative from a district which has three nuclear power plants. I have always held a strong interest in promoting policies which seek to ensure the safety of communities surrounding these facilities. I became acutely aware, however, of the need to strengthen the independent analysis and review of plant safety evaluations just recently.

On the night of February 15, a leak from one of the steam generators at the Indian Point 2 facility in Buchanan, New York, resulted in the declaration of an emergency alert. The distress caused by this incident was serious from the very beginning, and was made far worse by revelations in the weeks following the incident which indicated that previous inspections of the plant's steam generators were "weak and incomplete," according to the NRC's Office of Nuclear Regulatory Research.

This is wholly unacceptable, and my purpose in offering this proposal today is to diminish the threat posed to our communities by insufficient safety evaluations. This legislation establishes within the Nuclear Regulatory Commission's (NRC) Office of the Inspector General a unit charged specifically with auditing the safety analysis and review activities of both the NRC and those entities licensed by the agency.

Given the unfortunate circumstances which have arisen with respect to Indian Point 2, it is only reasonable to question whether or not they are symptomatic of a broader problem. I believe the proposal being offered today goes a long way in taking the necessary precautions against such a possibility, and I urge my colleagues to join me in advancing this initiative.
